

VOLVO PENTA 2PLUS4™

EXTENDED PROTECTION PROGRAM

*At Volvo Penta, we think true boating pleasure comes from knowing you're covered no matter what happens. * offer this boating peace of mind with the industry's most dependable marine propulsion systems. And we stand behind them with the best protection around. Our exclusive 2PLUS4 Extended Protection Program begins with a standard 2 -year limited factory warranty. Then, for 4 additional years, you're covered for the extensive list of repairs listed below with only a \$25 deductible per component group failure. And your 2PLUS4 protection plan is fully transferable to a second owner. When it comes to protection, Volvo Penta has you covered like no one else in the industry.*

Volvo Penta 2PLUS4 New Sterndrive Covered Components:

Engine: Internally lubricated parts contained within or attached to the cylinder block including cylinder liners, pistons, piston rings and pins, main and rod bearings, cap bolts, crankshaft, connecting rods, camshaft, camshaft bearings, front cover, timing chain, timing and idler gears, timing belt, rocker arm covers, rocker arms, valves, valve springs, pushrods, lifters, flywheel ring gear, flywheel housing, harmonic balancer, oil pump, oil cooler, oil filter housing, engine mounts and flywheel bearings. Cylinder heads, block, air intake housing, and intake manifold - if damaged beyond repair by a covered component.

Closed Cooling System (Volvo Penta Manufactured Components Only): Engine coolant circulating pump and heat exchanger.

Outdrive Upper Gear Unit: Internally lubricated parts contained within the upper gear housing including upper drive gear set, shift cone, shift cams, bearings, shims, bearing carriers, upper drive shaft, plus the upper gear housing - if damaged beyond repair by a covered component.

Outdrive Lower Unit: Internally lubricated parts contained within the lower gear housing including gears, propeller shaft, drive shaft, bearing carriers, bearings, plus the lower gear housing - if damaged beyond repair by a covered component.

Transom Shield: Intermediate shaft, intermediate shaft bearing, gimbal bearing, U-joints, drive yoke, steering yoke plus the transom shield and gimbal housing assembly - if damaged beyond repair by a covered component. Coverage excludes water entry-related failures caused by holes in or physical damage to rubber U-joint bellows or exhaust bellows.

Power Trim System: Power trim cylinders, cylinder seats, cylinder mounts and pivots, power trim electrical motor, power trim electrical gauges, power trim actuator solenoids and relays, power trim wiring harness, power trim master control switches, sender units, and limit switches, power trim hydraulic pump.

Control Systems (Volvo Penta-Manufactured Components Only): Shift and/or throttle control box including: Cams, shaft, pivots, bushings, housing, control arms, levers, knobs, control cables, and the electrical trim switch if installed.

Steering Systems (Volvo Penta-Manufactured Components Only): Hydraulic steering lines, hydraulic steering cylinder, hydraulic steering flow valves, and hydraulic pump.

Electrical System: Alternator including: stator, rotor, voltage regulator and brush holders, and brushes. Ignition trigger coil, ignition high-output coil, spark plug wires, engine-mounted terminal blocks, engine-mounted wiring harness and electrical choke solenoid. Starter motor including: armature, field windings, magnets, brush holder and brushes, end caps and bushings, starter drive and starter solenoid.

Air/Fuel System: Turbocharger and or supercharger including all internally lubricated parts, fuel injectors, and high-pressure fuel lines, fuel distributors, fuel injection pumps, fuel delivery pump, EFI control modules, waste gate actuator, field pump diaphragm, carburetor body and flame arrestor.

Seals and Gaskets: Seals and gaskets of a covered component are covered if material is defective or if damaged by or in conjunction with a covered repair.

Hoist/Lift-Out Coverage: For a period of 72 months from vessel delivery date, in the event of a mechanical breakdown caused by a covered component listed in this agreement, the contract holder/purchaser will be reimbursed for hoist lift out charges of \$3.00 per foot of hull length up to a maximum of \$100.00 per covered mechanical breakdown. Any reimbursement shall be for actual hoist/lift-out charges in excess of any applicable reimbursement from a manufacturer or insurance company.

On-Water Towing Charges: For a period of 72 months from vessel delivery date, in the event of a mechanical breakdown caused by a covered component listed in this agreement, the contract holder/purchaser will be reimbursed for reasonable on-water towing charges up to \$50.00 per occurrence (no deductible applies). Any reimbursement shall be for actual towing charges in excess of any applicable reimbursement from a manufacturer or insurance company. Towing must be performed by a valid marine service facility.

Electrical System: Alternator including: stator, rotor, voltage regulator and brush holders, and brushes. Ignition trigger coil, ignition high-output coil, spark plug wires, engine-mounted terminal blocks, engine-mounted wiring harness and electrical choke solenoid. Starter motor including: armature, field windings, magnets, brush holder and brushes, end caps and bushings, starter drive and starter solenoid.

Note: Maintenance and service requirements must be maintained. (See Manufacturer's Owner's Manual for all service schedules.)

Volvo Penta 2PLUS4 Program Profile

Eligibility: To be eligible for 2PLUS4 coverage, pleasure-use Volvo Penta gasoline and diesel power systems must be within the first twelve months of the original factory warranty registration period at the time of application. This program is not available for products in commercial use or for 61 Series and above Volvo Penta diesel engines.

Transferability: 2PLUS4 Extended Protection coverage is fully transferable by the original owner to a future owner and remains in force for the remainder of the term existing on the original protection contract. \$25 transfer will apply.

Nationwide Coverage: 2PLUS4 Extended Protection Programs will be honored at participating Volvo Penta dealers throughout the USA and Canada.

Toll-Free Claims Reporting: There is a convenient toll-free number for questions and to report claims. That number is 1-800-235-7549.

2PLUS4 is not available on gas engines that are rated higher than 430 horsepower.

This brochure highlights the benefits of the Volvo Penta 2PLUS4 Extended Protection Plan and is not an offer to contract. Some of the highlighted benefits may not be available in your state or province by law. Please consult the actual service agreement for details as to coverage, exclusions, maintenance requirements and benefits in your state or province.

This program is offered in the United States and Canada by Volvo Penta of the Americas, Inc. for boats registered in North America.

For additional information on the 2PLUS4 Extended Protection Program, please contact your authorized Volvo Penta 2PLUS4 dealer. Volvo Penta reserves the right, without prior notice, to discontinue or revise 2PLUS4 program terms and conditions and to limit the availability of this program in certain areas.
